

YOUR MEDICARE RIGHTS

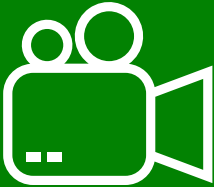

1

What is this about?

This is a quick guide to a 2-minute video that can help you speak up if your care is ending too soon. If you're in the hospital, a skilled nursing facility, or getting care at home, and someone tells you it's time to stop, but you don't feel ready, you have Medicare rights that can help.

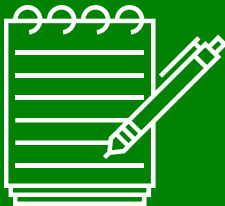

2

What can I do?

Watch a short video from Acentra Health. It's only 2 minutes long and explains your Medicare rights.

3

What will I learn?

- What your Medicare rights are
- What to do if your Medicare-covered care is ending too soon
- How Immediate Advocacy services can help you
