YOUR CARE IS ENDING TOO SOON**

KNOW YOUR MEDICARE RIGHTS

What This is About

- If you're in the hospital, a skilled nursing facility, or getting care at home, and you're told your Medicare-covered care is ending but you don't feel ready, you have rights.
- Acentra Health, your Beneficiary and Family Centered Care Quality Improvement Organization, works with Medicare to help people like you when your care is ending too soon or when something doesn't feel right.
- There is a short video (just 2 minutes!) that explains your rights in a simple way. It tells you what to do and who to call.
